

United Nations Economic Commission for Europe
Statistical Division

*ESSnet Workshop on
Statistical Disclosure Control (SDC) of Census data
Luxembourg, 19-20 April 2012*

**Overview of UNECE activities
on statistical data confidentiality
and population censuses**

Paolo Valente

A horizontal blue line is located at the bottom of the slide, and a vertical blue line is positioned on the right side, intersecting the horizontal line.

Content of presentation:

1. What **UNECE** does on **statistical data confidentiality and disclosure control**
2. What **UNECE** does on **population and housing censuses**
3. Overview of **2010 census round** in the **UNECE** region

1. What **UNECE** does on **statistical data confidentiality and disclosure control**

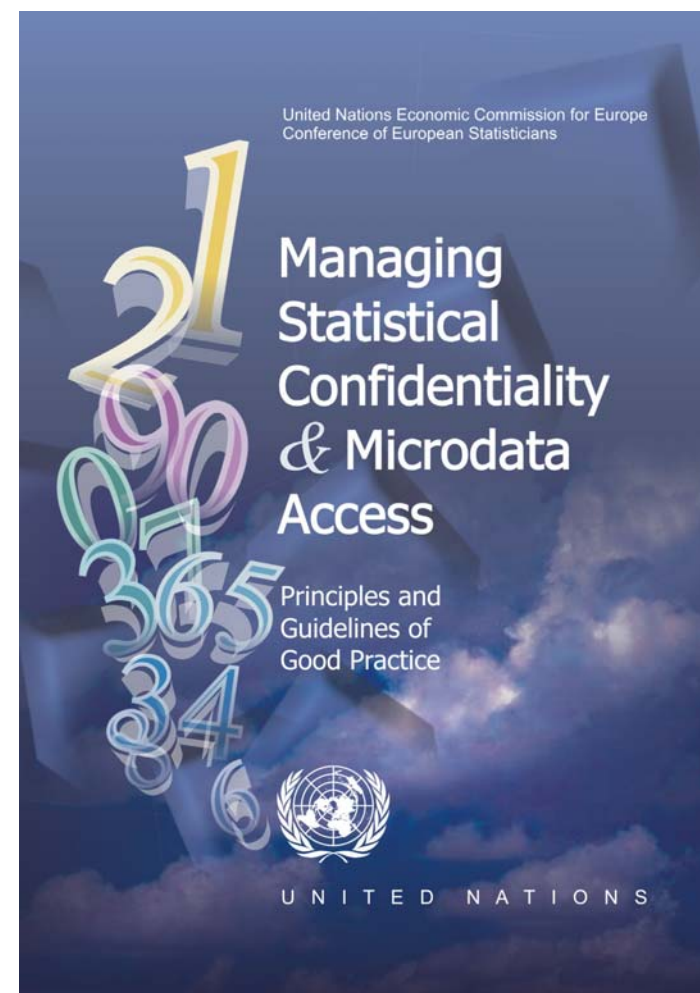

- **Joint UNECE/Eurostat Work Session on Statistical Data Confidentiality:**
 - Manchester, Dec. 2007
 - Bilbao, Dec. 2009
 - Taragona, Oct. 2011
 - **Next planned in Ottawa, Aug. 2013**

1. What **UNECE** does on **statistical data confidentiality and disclosure control**

- **Managing statistical confidentiality and microdata access**
Principles and guidelines of good practices

- Published in 2007
- Available on UNECE website

→ **Summer 2012: moved to UNECE wiki with updated text on practices**

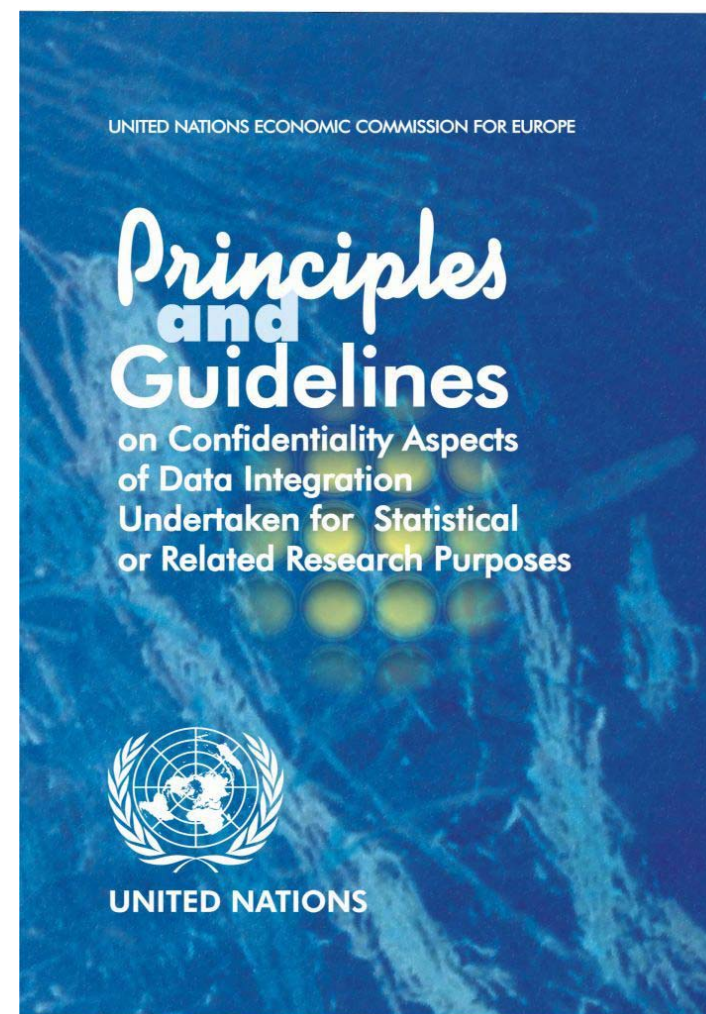

1. What **UNECE** does on **statistical data confidentiality and disclosure control**

- **Principles and Guidelines on Confidentiality Aspects of Data Integration Undertaken for Statistical or Related Research Purposes**

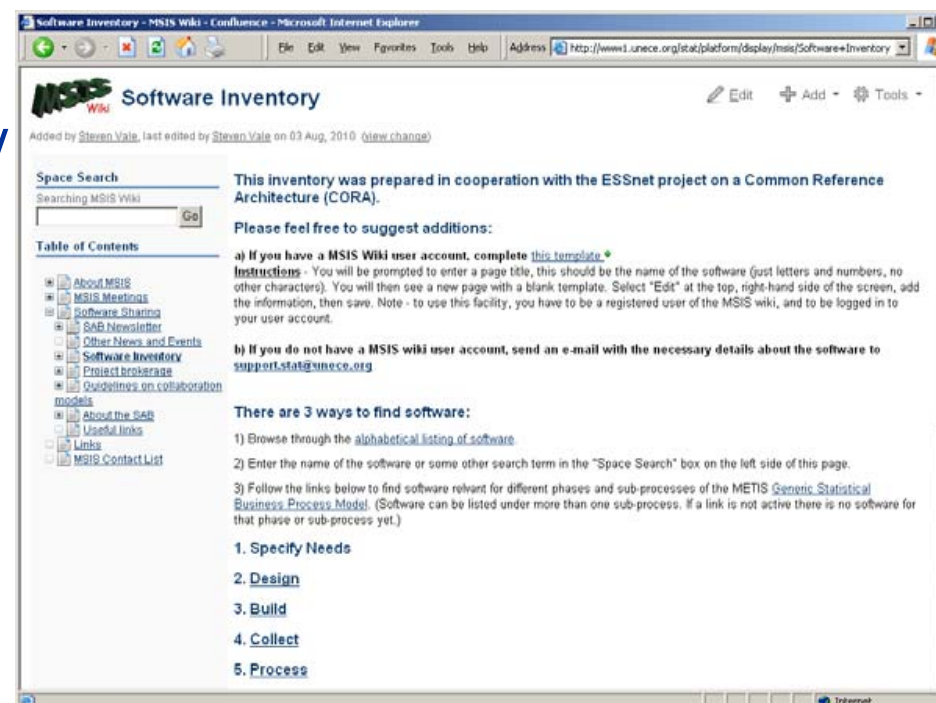

- Endorsed by CES & published in 2009
- Available on UNECE website

1. What **UNECE** does on **statistical data confidentiality and disclosure control**

- **Software inventory**

- Prepared by CES Sharing Advisory Board in cooperation with the ESSnet project on a Common Reference Architecture (CORA)
- Over 60 statistical software tools available for sharing
- Users can find or post information about new software

Available on MSIS wiki page at:
www1.unece.org/stat/platform/display/msis/Software+Inventory

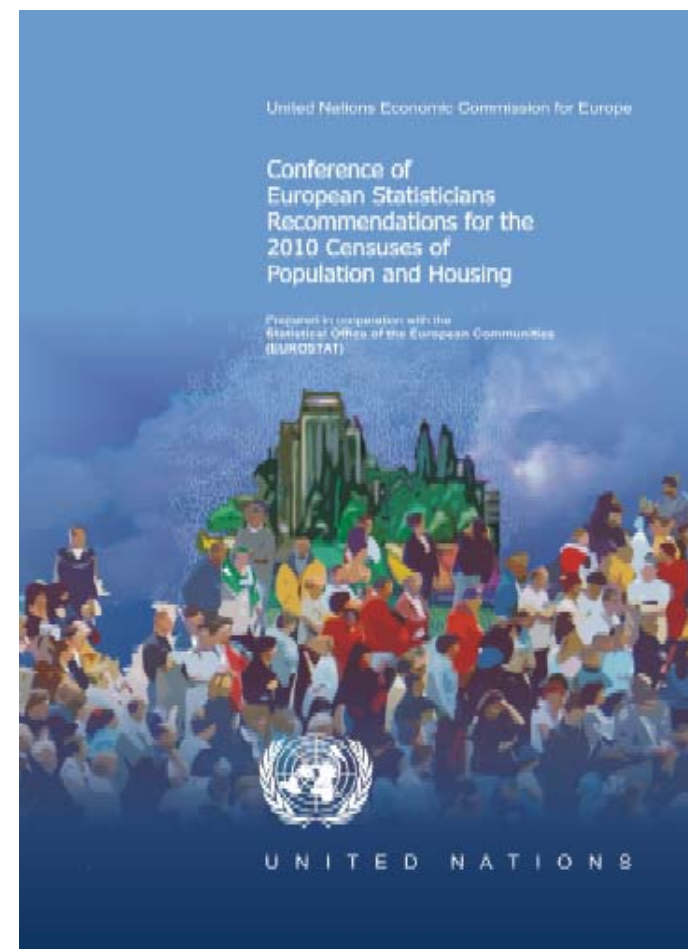

2. What **UNECE** does on **population and housing censuses**

- Annual Joint **UNECE/Eurostat Meetings on Population and Housing Censuses:**
 - Geneva, July 2010
(break in 2011, census year)
 - **Next meetings planned in Geneva, May 2012:**
 - Workshop on Censuses Using Registers (21 May)
 - EGM on Censuses Using Registers (22-23 May)
 - Meeting on Population and Housing Censuses (24-25 May)
(including session on access to microdata)

2. What **UNECE** does on **population and housing censuses**

CES Recommendations for the 2010 Censuses of Population and Housing

- Adopted by CES and published in 2006
- Purpose:
 - 1. To improve comparability of data** through selection of a core set of census topics and harmonization of definitions and classifications
 - 2. To provide guidance and assistance** to CES countries in the planning and conducting of their population and housing census
- Available on UNECE website

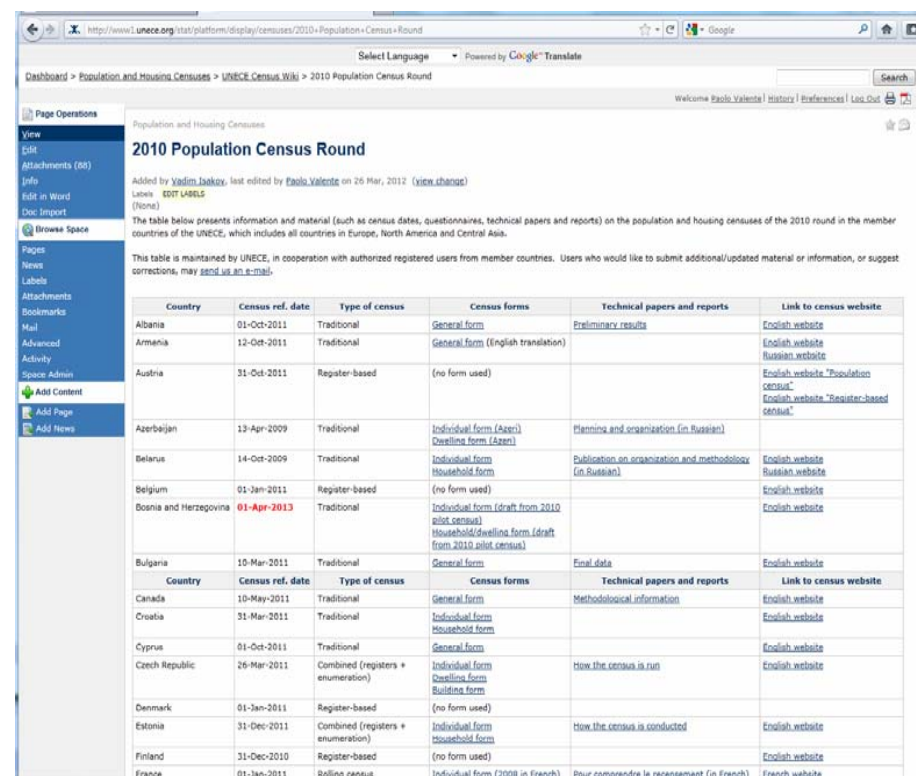

2. What **UNECE** does on population and housing censuses

New wiki page on 2010 census round

- Information and material on census in member countries, including:

- Census dates
- Census methodology
- Census forms
- Technical papers and reports
- Link to national census website

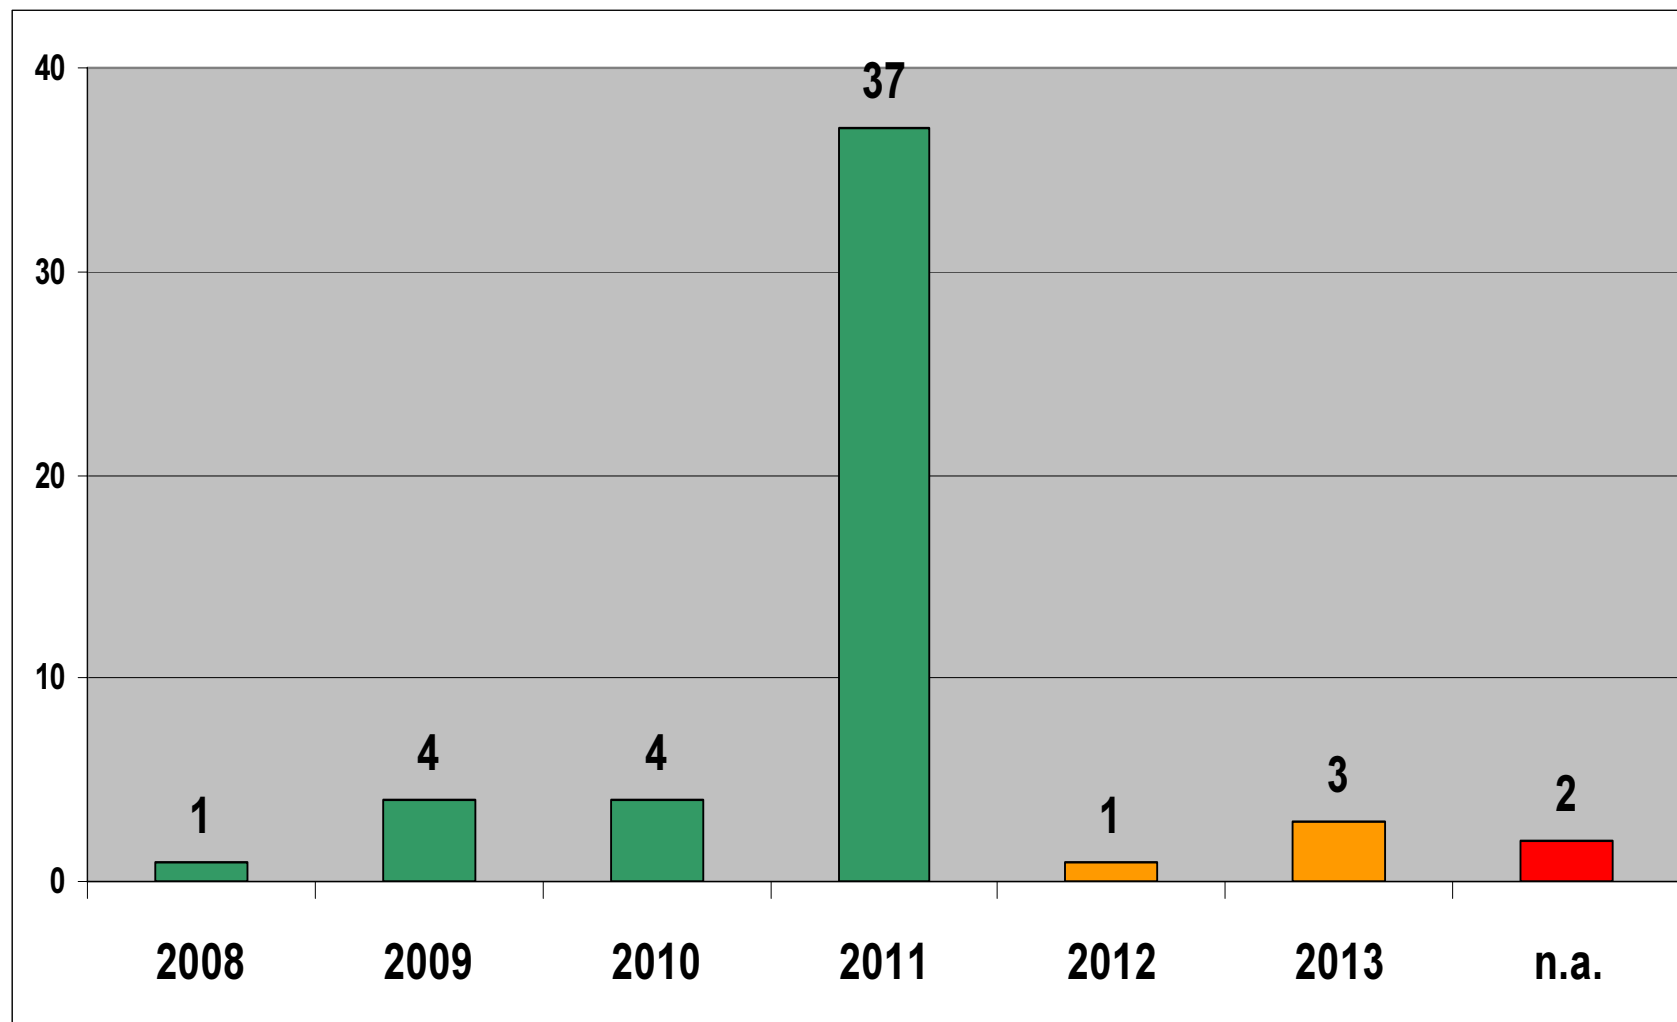

Country	Census ref. date	Type of census	Census forms	Technical papers and reports	Link to census website
Albania	01-Oct-2011	Traditional	General form	Preliminary results	English website
Armenia	12-Oct-2011	Traditional	General form (English translation)		English website Russian website
Austria	31-Oct-2011	Register-based	(no form used)		English website "Population census" English website "Register-based census"
Azerbaijan	13-Apr-2009	Traditional	Individual form (Azeri) Questionnaire form (Azeri)	Planning and organization (in Russian)	
Belarus	14-Oct-2009	Traditional	Individual form Household form	Publication on organization and methodology (in Russian)	English website Russian website
Belgium	01-Jan-2011	Register-based	(no form used)		English website
Bosnia and Herzegovina	01-Apr-2013	Traditional	Individual form (draft from 2010 pilot census) Household/dwelling form (draft from 2010 pilot census)		English website
Bulgaria	10-Mar-2011	Traditional	General form	Final data	English website
Country	Census ref. date	Type of census	Census forms	Technical papers and reports	Link to census website
Canada	10-May-2011	Traditional	General form	Methodological information	English website
Croatia	31-Mar-2011	Traditional	Individual form Household form		English website
Cyprus	01-Oct-2011	Traditional	General form		English website
Czech Republic	26-Mar-2011	Combined (registers + enumeration)	Individual form Questionnaire form Building form	How the census is run	English website
Denmark	01-Jan-2011	Register-based	(no form used)		
Estonia	31-Dec-2011	Combined (registers + enumeration)	Individual form Household form	How the census is conducted	English website
Finland	31-Dec-2010	Register-based	(no form used)		English website
France	01-Jan-2011	Rolling census	Individual form (2008 in French)	Pour comprendre le recensement (in French)	French website
